

## ■ K 09 D / K 09 D SP

Mechanical crimping tool for tubular cable lugs and connectors

- Hexagonal crimping
- Large cross section range up to 150 mm<sup>2</sup>
- Energy-efficient drive

### Characteristics

- With revolving dies
- Exact cross-section designation on the dies

### Article

Crimping range:	Version:	Length (mm):	Weight (kg):	Item	Part No.
25-150		650	2.9	Mechanical crimping tool for compression cable lugs and connectors (acc. to DIN 46235 / DIN 46267, part 1) 25 - 150 mm <sup>2</sup>	K09D
25-150 mm <sup>2</sup>	Rotatable	650	2.9	Mechanical crimping tool with ratchet for compression cable lugs and connectors (acc. to DIN 46235 / DIN 46267,	K09DSP

### Technical Data

Crimping range:	25-150
Length (mm):	650
Weight (kg):	2.9
